Regional Business Unit Dispersions and Resins

Information Sheet Product Safety

Product: **Butofan® NS 209**

Product ID: 30082046

Revision date: 2021-10-12

Page 1 of 4

Version: 2.2

1. Substance/preparation and company identification

Butofan® NS 209

BASF Corp.
Resins and Additives
N-EDN
NAPSSDispersionsResins@basf.com

2. Chemical nature

Polymer dispersion

3. Specific ingredients

VOC content:

VOCs (Volatile Organic Compounds) 40 C.F.R. 60.489 (calculated estimate).
Volatile organic compound VOC: < 0.06%

Product does not contain:

Alkyl phenol ethoxylates (APEO)
Asbestos
Azo Dyes
BADGE ((Bisphenol A diglycidyl ether), BFDGE (Bis[4-(glycidylloxy)phenyl]methane), Novolac Glycidyl Ether (NOGE)
Beryllium compounds
Benzophenone
Bisphenol A, Bisphenol F, Bisphenol G, Bisphenol S
Boron compounds
Conflict minerals (Dodd Frank Act)
Dimethyl fumarate (DMF)
Formaldehyde
Heavy Metals
Natural Latex Rubber
Melamine
Nitrosamines
Nonyl phenol ethoxylates (NPE)
Organotins
Ozone depleting substances
Polycyclic aromatic hydrocarbons (PAHs)
Polybrominated biphenyls (PBB)

Version: 2.2

Polybrominated Diphenylethers (PBDE)
PBT substances, vPvB substances (EC No 1907/2006)
Polychlorinated Biphenyls (PCBs)
Polychlorinated Naphthalenes (PCNs)
Perfluorooctane Acid (PFOA), Perfluorooctane Sulfonates (PFOS), Perfluoroalkyl sulfonate (PFAS)
Phthalates (DBP, DEHP, DIDP, BBP, DINP, DNOP)
Polychlorinated triphenyl (PCT)
Polyvinyl Chloride (PVC)
REACH Substances subject to Authorization Annex XIV, and Annex XVII of Regulation (EC) No 1907/2006
Radioactive substances
REACH SVHC reportable substances (list as of June 2018)
Tributyltin (TBT), Triphenyltin group (TPT)
Triclosan

The a.m. substances are not used in the manufacture of the product either as raw materials or as additives. Therefore, the title product has not been analyzed for these substances. However, based on our knowledge of the composition of the raw materials and additives and the manufacturing process involved, it can be stated with a reasonable degree of certainty that the a.m. substances should not be present in the product, except those small ubiquitous traces, which may be detectable all over the world.

4. Status of registration in inventories

Country	List/Inventory	Registration status
Australia	AiIC, AU	Listed or exempted
Canada	DSL, CA	All substances are listed.
China	IECSC, CN	Listed or exempted
Relevant for Regulation REACH	REACH	Please contact your BASF representative
Japan	ENCS/IS,JP	Not listed
Korea (south)	ECL, KR	Not listed
New Zealand	NZIOC, NZ	Listed or exempted
Philippines	PICCS, PH	Not listed
Switzerland	CHEMINV,CH	Not listed
Taiwan	TCSI, TW	This product contains component(s) which are not preregistered or registered. Please contact your BASF representative.
USA	TSCA, US	All substances are listed (commercial status is active).

5. Registration in product registers

The product information has not been checked. If required, appropriate checks can be made on request.

6. Food contact regulations

Please contact us at Product Stewardship with regard to questions on conformance with food safety regulations.

7. Branch specific regulations

CONEG (Coalition of Northeastern Governors) – EU 94/62/EC:

The product meets the heavy metal limits of the above listed reference.

EU RoHS:

Meets the award criteria.

California Proposition 65 Status:

This product can expose you to the below listed chemical(s) which is/are known to the State of California.

For more information, go to www.P65Warnings.ca.gov

Component Name:	CAS-No.:
4-Vinylcyclohexene	100-40-3

EPCRA (SARA Title III) Section 313 Toxic Chemicals:

This product does not contain any substances subject to SARA 313 either at or above reportable thresholds.

CAA Section 112 Hazardous Air Pollutants:

This product does not contain any substance subject to CAA Section 112 at or above reportable thresholds

CWA Section 311 Hazardous Chemicals:

This product does not contain any substances subject to CWA reporting at or above reportable thresholds.

The a.m. substances are not used in the manufacture of the product either as raw materials or as additives. Therefore, the title product has not been analyzed for these substances. However, based on our knowledge of the composition of the raw materials and additives and the manufacturing process involved, it can be stated with a reasonable degree of certainty that the a.m. substances

should not be present in the product, except those small ubiquitous traces, which may be detectable all over the world.

This 'Information sheet product safety' provides supplementary information on legal as well as branch specific regulations on chemicals for our products not covered by the material safety data sheet. This information is based on our knowledge and experience at the revision date. The data in our information sheet does not imply either a warranty nor the contractual agreement on the properties of our products. A suitability of our products for a specific purpose is herewith not declared. We especially do not guarantee a suitability of our products for application in the area of medicinal or pharmaceutical use. Due to the abundance of possible influences during the usage of our products these data do not free the recipient from his own tests and experiments. If you need further product safety relevant information about our product, please don't hesitate to contact the contact address above.

Partial or full publication either in printed or electronic form (e.g. via Internet) by others is not allowed without our written permission.

This document is intended to address commonly requested data and compliance standards. This information is believed to be accurate and refers to the laws, regulations and products at the date of issue. However, BASF makes no express or implied representations or warranties with respect to the information contained herein. It is the sole responsibility of our customers to determine that their use of BASF products is safe, lawful, and technically suitable for their applications. Because of possible changes in the laws and regulations, we suggest that you review this information on an annual basis. THIS STATEMENT EXPIRES 18 MONTHS AFTER THE DATE OF ISSUE or in case of regulatory changes before such date. Partial or full publication either in printed or electronic form (e.g. via internet) is not allowed without our written permission.
